**FOR THE REQUESTOR (Student/Faculty/Staff)**

I affirm that the above information I have provided is complete and accurate. I understand that, if granted an exemption, I must comply with all mitigation measures required of me by the University. Such measures include but are not limited to: participating in periodic COVID-testing at a frequency determined by the University, wearing face covering in settings determined by the University (i.e. classrooms, labs, etc.) and maintaining certain physical distancing as determined by the University. I understand that I may be required to curtail certain activities if the University determines that participation of unvaccinated individuals presents an unreasonable risk to the campus community. I agree that should I contract a vaccine preventable disease, I will hold the university harmless and will comply with any and all limitations placed upon me by the University of Illinois or public health officials. I understand that my request for an exemption may not be granted or may be rescinded if it creates an undue hardship for the University. I understand that any intentional misrepresentation contained in this request may result in disciplinary action up to and including dismissal.
