- ONLINE UNDERGRADUATE STUDENTS **ESTIMATED COST OF ATTENDANCE**

In 2003, the University of Illinois Act was amended (110 ILCS 305/25) to include a four year tuition guarantee for new undergraduate students who enrolled beginning with the 2004-2005 academic year. The purpose of the undergraduate guaranteed tuition program is to provide a high degree of certainty about tuition costs for students and families. The plan applies to all undergraduate students enrolled in a baccalaureate degree program on one of the three campuses of the University. The plan treats every student as part of a cohort defined by the date of entry to the University. Each cohort is guaranteed an unchanged tuition schedule for four years. Click below for your tuition rate based on the semester you were first admitted to the University of Illinois at Springfield.
