Instructions for Completing the I-765 Form for STEM OPT

General Guidelines:

Download the most recent I-765 Form. Type or write your answers clearly in black ink. Only use black ink for answers you or unable to type and your signature. For any required item that you do not complete, write “NA” (short for “Not applicable”) or, if the question asks for a number response, write “None.”

These directions are meant to help you fill out the I-765 and we have provided advice on items that our students may find confusing. All fields must be completed, regardless of whether suggestions are given here. Please note, this is not legal advice! You may hire an immigration attorney to assist you with this form. You can find the official instructions on USCIS website.

Item 2: If applicable, list other names used such as maiden name or other naming formats previously used on any of your immigration documents.

Item 5: Record the address at which you wish to receive your receipt and EAD. This must be a U.S. address. It should be an address that you can receive mail at now as well as in the next 3 to 4 months. Mail from USCIS cannot be forwarded so please ensure an accurate address.
you use a friend or family member’s address, ensure that this is an address that you can receive mail and put their name in the “In Care of Name” field.

**Item 6:** Check YES if you currently live in the same address you just gave as the place to send your documents, in item 5. If you check yes, you do NOT have to complete Item 7. If you check NO, please complete it.

**Item 7:** Please give the address where you currently live. USCIS will NOT mail documents here, and it’s okay if this will change over the course of your application processing. Just use the address where you live today.

**Item 8:** This is your “USCIS #” and it can be found on your EAD from OPT.

**Item 9:** Leave blank.

**Item 13:** Provide SSN.

**Item 14:** “No” and skip to Item 18.

**Item 21:** Record I-94 Admission Record Number from your most recent I-94.

Record the information as shown in your passport.

**Item 22:** Record the date you last entered the US as shown on your most recent I-94.

**Item 23:** Record the place of last entry in the U.S. For example, “Chicago” and/or 3-digit airport code. The travel history section of your I-94 provides this information.
Item 27: (c)(3)(C)

Item 28: In the “Degree” box, record your degree. For example, “MS Computer Science”.

Ask your employer to verify the company’s official name listed in E-Verify, it may be different than the name used in everyday speech.

The company receives a 4 to 7 digit number when it registers for E-Verify. This is not the EIN (Employer’s Identification Number). It is very important that you correctly list the E-Verify number. Human Resources usually knows the company’s E-Verify number. More information about E-verify can be found on the Department of Homeland Security’s website.
