## By signing this Request for Military Education Benefits Form I understand and agree to the following:

- I am responsible for tracking my own benefit(s) through the VA, DOD and/or ISAC:
- Federal VA Benefits can be tracked on the <u>WAVE system</u> or by calling the VA Education Center Student Line at 1-888-442-4551.
- State Benefits can be tracked on the <u>ISAC Student Portal</u> or by calling ISAC Student Services at 1-800-899-4722.
- I am responsible for paying all tuition and fees that are not covered by veterans' benefits.
- I am responsible for paying my UIS student account regularly. If I notice that my benefit(s) have not been applied, I will contact UIS Student Financial Aid before the end of the semester.
- -I understand if I wait until after the semester ends my benefits may not be applied to my account for the requested semester.
- If using a Federal benefit, I understand that I must verify my enrollment at the end of each month with the VA by calling 1-888-442-4551 or by using the <u>WAVE system</u>.
- It is my responsibility to check my GI Bill payments and ensure my enrollment is correctly reported to the VA.
- I will report all changes made in my enrollment to the UIS Student Financial Aid within 3 business days.
- If using a state benefit, I understand that UIS bills ISAC according to eligibility information furnished by the commission. When ISAC rejects a claim (usually after the semester is over), I am responsible for the portion of tuition and fees not paid by the commission.
- The Illinois Veterans Grant only covers tuition and mandatory fees. I am responsible for paying all non-mandatory fees charged to my student account. \*Please note that the additional fees for online courses are not considered mandatory and will not be covered by IVG benefits.
- The Illinois National Guard Grant only covers tuition and minimal mandatory fees. I am responsible for paying all fees charged to my student account.
- If using IVG or ING with the Post 9/11 GI Bill my state benefits will be adjusted according to the guidelines established by the Illinois Student Assistance Commission.
- To be eligible for continued use of your benefits you must meet all of the requirements in the <u>UIS Satisfactory Academic Progress (SAP) policy</u>. All semesters of attendance are counted, regardless if you used your benefits. In the event I am placed on academic cancellation, I understand that state and or federal VA benefits will be suspended until I am able to re-instate my eligibility per guidelines of the UIS SAP policy.

It is my responsibility to check my SAP status before the start of each semester. This can be done online through Self-Service.

I understand that a new UIS Request for Military Education Benefits Form must be submitted each semester to UIS Student Financial Aid.

To protect confidential information reported on this form, <u>upload</u> all documents to <u>Enterprise Self-Service</u> student requirements under the financial aid tab.
