Who we are: Since opening for ministry in 2000, Midwest Mission has been showing God’s Love in practical ways through the distribution of education, health, micro-business, and disaster relief supplies meeting basic human needs around the world and around the corner. A “hands-on” mission experience is provided to those who serve at Midwest Mission which brings hope to those receiving supplies.

Our Mission: Hearts and hands transforming the resources of God's people into humanitarian relief.

Distributions: Midwest Mission distributes its kits, resources, and supplies after receiving a request. Supplies are given free of charge regardless of gender, race, or religion. Midwest Mission connects with local aid organizations by providing items that are received that do not meet kit requirements. Midwest Mission is one of eight cooperating depots in the United Methodist Committee on Relief (UMCOR) Supply Network. Midwest Mission distributes UMCOR supplies in response to disasters within the United States. Midwest Mission also partners with Central Illinois Christians in Mission, Food for the Poor, International Health Development Network and US Southern Command.
