At least **thirty (30) days** prior to the start of an activity, the responsible unit shall submit this information to the Office of Human Resources by filling out the supplied form on the UIS HR Protection of Minors homepage. **Untimely submission of and/or incomplete information on the form could result in the delay or cancellation of the activity.**
- b) Activity Protocols: Units shall have in place, enforce, and make available protocols that address the plans for addressing the following areas, if they are applicable to the activity. These protocols must be submitted along with the form:
  - i. Transportation: Including the transportation of minors at the beginning and end of the activity, to and from the activity, and within the program, whether by parents, guardians, staff or others. Activities must comply with university policies regarding drivers and vehicles.

attendance (age range and number of participants), and the external entities contact information. At least **thirty (30) days** prior to the start of an activity, the unit hosting the group shall submit this information to the Office of Human Resources by filling out the supplied form on the UIS HR Protection of Minors homepage. **Untimely submission of and/or incomplete information on the form could result in the delay or cancellation of the activity.**

The provisions shall at a minimum require the group to assume legal and financial responsibility for and holding the University of Illinois and its agents and employees harmless against the acts or omissions of the group's participants, employees or agents or any third party employees or agents which the group relies upon to assist with the event.

#### IV. **Background Check Requirement:**
