

University of Illinois Springfield Resolution #11

Student Government Association Resolution

Resolution Title: Incoming SGA team to program allocation of funds

Resolution Sponsor: Current SGA team

1. Whereas, The Student Government Association body is reserved the right to program allocation of funds to campus entities from their budget.
2. Whereas, the current Student Government Association trusts that the UIS student body will elect a representative body that will serve them and will be able to handle the allocation of funds when starting their term.
3. **Therefore, Be It Resolved,** that the programing of allocation of funds be done by the newly elected SGA body.
