BREAKOUT SESSION 2

College of Business & Management

University Hall Building (UHB) 3080

Dr. Shipra Gupta from the Department of Management, Marketing, and Operation will give students an overview of the academic experience at UIS, elucidate how CBM is unique and will give an idea of what to expect from the program.

College of Liberal Arts and Social Sciences

University Hall Building (UHB) 2nd Floor Atrium

Join CLASS for a reception at the UHB 2nd Floor Atrium — visit with professors and advisors to learn more about your opportunities as a student in the liberal arts and the social sciences as a major, a minor, or to balance out your academic experience. We'll offer a fun activity to give you a taste of what you might do in a class with one of us! For instance, can you tell if a poem is written by a real human or by A.I.? How do we interpret the mix of visual images and writing in the graphic novel? What counts as "music," how do we know, and who gets to say? What can we tell from an object—about the people who made it, the culture or historical period from which it comes? Light refreshments provided.

UIC College of Nursing

Student Affairs Building (SAB), UIC College of Nursing, Suite 20

Tour the UIC Nursing Department and simulation labs and learn about programs offered with our nursing advisor, including the UIS/UIC Nursing direct admission program (GPPA) and Memorial Health Pre-Nursing Scholarship.

College of Public Affairs and Education

Public Affairs Center (PAC) 3rd Floor Atrium

The College of Public Affairs and Education will be hosting a meet-and-greet where prospective students can chat with professors, advisors, and representatives from interactive student activities such as Model United Nations, Model Illinois Government, Speech & Debate Team, Mock Trial, and Student Media. We will also be serving light refreshments and provide tours of our departments and Pre-Law Center.

College of Health, Science & Technology

Health & Sciences Building (HSB) 101, Orion Lab

Meet Professor Joshua Smith from the Computer Science program and tour the cutting-edge Orion Lab which is a vibrant hub of research, education, and recreation, conveniently nestled in the lower level of the Health and Sciences Building (HSB). The lab is equipped with a diverse range of cutting-edge equipment, including 3D printers, CNC machines, laser cutters and engravers, computing resources, cybersecurity systems, and fabrication equipment.

WUIS Building (WUIS) 58

Visit with Dr. Jae Yom from the Exercise Science program (in the School of Health Sciences) in the Biomechanics Lab (WUIS 58) and star in a spooky "skeletal-rendering" motion picture using his 3D cameras.

University Hall Building (UHB) 3145

The Psychology Department has put together a selection of interactive demonstrations showcasing psychological phenomena across many of the sub-fields of psychology, spanning from cognitive to counseling. You will see colors that don't exist and solve problems in ways you didn't know you could! Attend this session to get unique insight into your own psychological workings and chat about what the UIS Psychology Department has to offer.

Health Sciences Building (HSB) 324

Have you ever wondered how fireworks displays have so many different colors? The answer is chemistry, of course! Dr. Andrews will safely demonstrate where many of those beautiful hues come from. Safety glasses will be provided and required for the demonstration.

Health Sciences Building (HSB) 338
