Consortium Agreement – Concurrent Enrollment (Spring 2024)

For Priority Processing Submit Form within 15 business days. Failure to submit all documents together may result in a processing delay or less financial aid.

A Consortium Agreement is a written agreement between two Title IV (financial aid) eligible schools for the purpose of providing federal financial assistance to the named student. Under the agreement, the “Home school”—University of Illinois (UIS)—considers the student to be enrolled in an eligible program and accepts the credits earned at the “Host school.” UIS, as the Home school, and the Host school named herein are entering into a Consortium Agreement. Federal regulations do not allow students to receive financial aid from two schools at the same time.

Student Acknowledgement/Authorization

- Financial aid will not pay for remedial coursework or any courses that do not apply and transfer as college credit to the student's degree at UIS.
- For students who are enrolled concurrently, the consortium agreement will not be processed until after the add/drop period at UIS to ensure the student's enrollment is finalized.
- The student is responsible for any expenses (i.e., tuition, fees, books) charged by the host school prior to when UIS financial aid is disbursed/available. Financial aid will not be disbursed until UIS receives the consortium agreement completed by all parties.
- If a student is enrolled at UIS and the host school, the student's financial aid will first be applied to their balance at UIS. If there are remaining funds, they will be refunded to the student by the Bursar's Office. It is the student's responsibility to use any financial aid refunds and/or their own financial resources to pay the host school charges.
- The student will immediately notify Financial Aid in writing if they drop or withdraw from courses at the Host school.
- Changes in enrollment may invalidate the Consortium Agreement or require reduction or cancellation of aid, which may result in a balance owed to UIS or to the U.S. Department of Education.
- The student will submit unofficial transcripts or grade roster to the UIS Financial Aid Office within 14 days of term completion.
- Students are responsible for transferring earned credits from Host school to UIS by submitting official academic transcript from the Host school to UIS' Office of Records and Registration. If transcripts are not submitted within required time frame, UIS will assume courses on Consortium Agreement are not complete. This may result in reduction or cancellation of aid, which may result in a balance owed to UIS or to the U.S. Department of Education.
- Consortium agreements will not be approved for completed periods of enrollment.
- This agreement is for only one semester of enrollment.
