### CAP Honors Information Session!

*Lincoln Residence Hall (LRH), Great Room*

Learn about the Capital Scholars Honors Program curriculum, living learning community, and student support services. Gain information regarding perks of the program, admission process and scholarship opportunities available to incoming Honors students. (Consideration is given to first year students with an unweighted high school CGPA of 3.25 or higher.)

### Funding Your Education

*Student Union Ballroom 2 (3rd Floor)*

UIS is one of the top Midwest regional universities for students graduating with the least amount of debt. Learn about the different opportunities for financial assistance.

### I'm Admitted, What's Next

*University Hall Building (UHB) 1005*

Welcome to the Prairie Star Family! Now that you have been admitted, come find out what your next steps are.

### Transfer Student Roundtable

*Student Union Conference Room 1 (3rd Floor)*

Join us for a discussion about the transfer experience at UIS with current and former UIS transfer students and have your transfer related questions answered.

### Diversity Center and Living-Learning Communities

*Student Union Ballroom 1, (3rd Floor)*

Join us to learn about the Diversity Center and the many ways we work to create a welcoming equitable, and inclusive community. You'll learn how we serve students and the campus community through multicultural, social, and educational events/activities. Additionally, Living Learning Communities provide students with opportunities to live, learn and grow together in one of the first-year specialty housing options. Learn more about the communities and how they can help students be successful at UIS.

# #YES2UIS

**1:25 P.M. - 1:55 P.M.**

## **BREAKOUT SESSION 2**

### **College of Business & Management**

**University Hall Building (UHB) 2004**

Dr. David Saner from the Department of Management, Marketing, and Operation will give students an overview of the academic experience at UIS, elucidate how CBM is unique and will give an idea of what to expect from the program.

### **College of Liberal Arts and Social Sciences**

**University Hall Building (UHB) 2nd Floor Atrium**

Join CLASS for a reception at the UHB 2nd Floor Atrium — visit with professors and advisors to learn more about your opportunities as a student in the liberal arts and the social sciences as a major, a minor, or to balance out your academic experience. We'll offer a fun activity to give you a taste of what you might do in a class with one of us! For instance, can you tell if a poem is written by a real human or by A.I.? How do we interpret the mix of visual images and writing in the graphic novel? What counts as "music," how do we know, and who gets to say? What can we tell from an object—about the people who made it, the culture or historical period from which it comes? Light refreshments provided.

### **UIC College of Nursing**

**Student Affairs Building (SAB), UIC College of Nursing, Suite 20**

Tour the UIC Nursing Department and simulation labs and learn about programs offered with our nursing advisor, including the UIS/UIC Nursing direct admission program (GPPA) and Memorial Health Pre-Nursing Scholarship.

### **College of Public Affairs and Education**

**Public Affairs Center (PAC) 3rd Floor Atrium**

The College of Public Affairs and Education will be hosting a meet-and-greet where prospective students can chat with professors, advisors, representatives from interactive student activities such as Model United Nations, Model Illinois Government, Speech & Debate Team, Mock Trial, and Student Media. We will also be serving light refreshments and provide tours of our departments and Pre-Law Center.

## **College of Health, Science & Technology**

### **Exercise Science**

**WUIS Building (WUIS) 58**

Visit with Dr. Jae Yom from the Exercise Science program (in the School of Health Sciences) in the Biomechanics Lab (WUIS 58) and star in a spooky "skeletal-rendering" motion picture using his 3D cameras.

### **Psychology**

**University Hall Building (UHB) 3145**

The Psychology Department has put together a selection of interactive demonstrations showcasing psychological phenomena across many of the sub-fields of psychology, spanning from cognitive to counseling. You will see colors that don't exist and solve problems in ways you didn't know you could! Attend this session to get unique insight into your own psychological workings and chat about what the UIS Psychology Department has to offer.

### **Medical Laboratory Sciences**

**Health Sciences Building (HSB) 338**

Examine human blood cells with students from the Medical Laboratory Science (MLS) Program. You'll get to take a closer look at the cells that transport oxygen around the body, fight infections, and help blood clot. MLS faculty members will also be present to answer any questions you have about career options in the MLS field.

### **Environmental Studies**

**Public Affairs Center (PAC) 3E**

Dr. Tom Rothfus, Director of Field Stations at UIS, will share some of the research projects that students have been involved with, including examination of microplastics in freshwater and the millions of microscopic critters that inhabit our waterways, and Brandon Derman, Associate Professor of Environmental Studies, will be on hand to discuss the degrees and educational opportunities on offer within the Environmental Studies program and the School of Integrated Sciences, Sustainability, and Public Health.
