Other Important Information

* All students, except 100% online, are charged \$1124/semester (estimated) for health insurance. This may be waived.

** Students who reside off campus will not be charged on-campus housing & meal plans. Off-campus students will have rent, utilities, food, etc. that they should estimate.

- Federal Work Study - You may be eligible for Federal Work Study, which is not aid paid to your account. Rather, it is earned as a paycheck for the hours worked if you work on campus.

- We recommend using the tuition and fee calculator online at www.uis.edu/cost-aid/cost-attendance/tuition-fees for more specific estimates of your charges.

Definitions

- Direct Costs: Tuition, Fees, and Housing & Food (if on campus).
- Indirect Costs: Represents an average estimate of other related expenses. You are in control of these expenses. Indirect Costs are not charged to your UIS account.
- Grants and Scholarships: Gift aid you do not have to repay.
- Self-Help Aid: Must be repaid. Federal student loans, parent PLUS loans, other education loans.
