

## **Legal Studies Bachelor of Arts Transfer Guide**

This articulation guide combines the completion of an associate's degree from an Illinois Community College with a Bachelor of Arts degree in Legal Studies at University of Illinois Springfield.

Most Illinois Community Colleges with Legal Studies/Paralegal foundation work offer an associate in applied science degree. An associate in applied science degree fills most, but not all IAI General Education Core Curriculum Requirements for undergraduate degree completion.

Students may utilize electives at the Community College to satisfy the missing General Education requirements not fulfilled with the AAS. Those credits may also be completed at UIS if necessary.

Students who have taken an approved Legal Research and Citation course at an Illinois Community College may have LES 401 (Legal Research and Citation) waived upon entry to UIS.

Other core and elective courses may also be waived. Students may check with the UIS advisor or on Transferology to determine whether the UIS Legal Studies program will accept other direct credit towards major requirements from the Community College they attended.

Students may be considered for admission to UIS as transfer students if they have attempted at least 24 transferable semester hours and have a cumulative grade point average of 2.0 on a 4.0 scale from a regionally accredited institution. Remedial and developmental courses are not accepted.

UIS is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement designed to allow you to complete the Illinois Articulation Initiative General Education Core Curriculum (IAI GECC), as well as credit earned in select majors, between participating institutions. To determine IAI GECC at your community college, use the course planning worksheet available at [iTransfer.org](http://iTransfer.org). This information is also available from your community college catalog or by speaking with your community college advisor.

MyCreditsTransfer is a statewide initiative designed to facilitate transfer within Illinois using the nationally available tool, Transferology™ ([transferology.com/school/uis](http://transferology.com/school/uis)). Within Transferology™ you can find the courses that transfer between institutions, degree requirements your courses satisfy and different majors that institutions offer. To set up your free Transferology™ account and see how your courses will transfer, visit <https://www.transferology.com/school/uis>. To receive information about transferring to UIS, please visit <https://www.uis.edu/admission-aid/request-info>.

Please direct any questions about transferring to Allison Kling in the Office of Admissions Processing at [admprocessing@uis.edu](mailto:admprocessing@uis.edu) or 217/206-6156.

Please direct any questions about the Legal Studies Program, double major opportunities, etc. to Jill Briggs the program's academic advisor at [jhelm3@uis.edu](mailto:jhelm3@uis.edu) or 217/206-6561.
