

**UIS Career Development Center**  
**Graduate and Professional School Financing/Budget Worksheet**

Use this worksheet to draft overview of the amount of money you will need to attend the graduate programs you have selected.

| <b>Graduate School &amp; Living Expenses</b> | <b>Amount</b> | <b>Financial Assistance/Income</b>  | <b>Amount</b> |
|----------------------------------------------|---------------|-------------------------------------|---------------|
| <b>Tuition</b>                               |               | <b>Assistantships With Stipends</b> |               |
| <b>Fees</b>                                  |               | <b>Assistantships</b>               |               |
| <b>On Campus Room</b>                        |               | <b>Work Study</b>                   |               |
| <b>On Campus Meal Plan</b>                   |               | <b>Fellowships</b>                  |               |
| <b>Off Campus Rent</b>                       |               | <b>Scholarships</b>                 |               |
| <b>Books</b>                                 |               | <b>Private Loans</b>                |               |
| <b>Supplies</b>                              |               | <b>Government Loans</b>             |               |
| <b>Transportation</b>                        |               | <b>Grants</b>                       |               |
| <b>Computer/software</b>                     |               | <b>Off-Campus Employment</b>        |               |
| <b>Travel</b>                                |               | <b>Gift Money</b>                   |               |
| <b>Clothing</b>                              |               | <b>Savings</b>                      |               |
| <b>Phone</b>                                 |               | <b>Parent Contribution</b>          |               |
| <b>Personal Care (Shampoo, haircut)</b>      |               | <b>Employer Contribution</b>        |               |
| <b>Groceries</b>                             |               |                                     |               |
| <b>Entertainment</b>                         |               |                                     |               |
| <b>Misc</b>                                  |               |                                     |               |
|                                              |               |                                     |               |
|                                              |               |                                     |               |
|                                              |               |                                     |               |
| <b>Total</b>                                 |               | <b>Total</b>                        |               |

**Income – School and Living Expenses = \_\_\_\_\_**

**Is there a significant gap? If so, consider optional living arrangements and financial resources.**
