UNVEILING OF JOSH'S BENCH

Josh's Benches for Awareness is a nonprofit organization that is "dedicated to helping spread awareness about mental health and important local services to help the community."

A SEAT WITH A PURPOSE...

This bench was donated by Josh's Benches to raise awareness about mental health and to show students that there are resources at UIS to support them through any struggles.

Unveiling Ceremony

The event is scheduled for Monday, October 27th at 12:00pm in the SE corner of UHB, facing the parking lot near the sidewalk that leads up to Admissions.

Mental Health Check-In

Following the unveiling, there will be a mental health event at the Student Union North Patio for all students until 3:00pm. The afternoon will include activities such as coloring, painting, and journaling, all while enjoying s'mores, cookies, and hot chocolate.

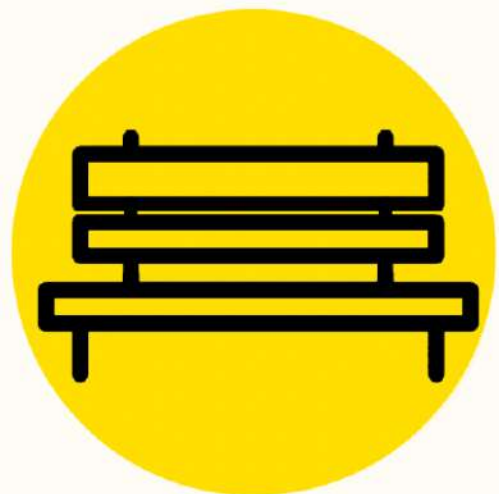

Thanks to All the Co-Sponsors:

Dr. Marc Klingshirn, Dr. Jamarco Clark from Student Affairs, Dr. Bathany Bilyeu from the Counseling Center, Capital Scholars Honors Program, and Active Minds at UIS.

Event made possible by a donation from Josh's Benches for Awareness and the coordination of Dr. Marc Klingshirn.
