

AY 26-27 UIS Housing Contract Terms and Conditions:

HOUSING CONTRACT TERMS AND CONDITIONS

By entering into this Contract, I agree to be bound by all its terms and conditions, as well as all policies, procedures, rules and regulations of the University of Illinois Springfield (“University”) now or later to be in effect, including those relating to the Department of Residence Life operations. I understand that the Department of Residence Life (“DRL”) administers this Contract on behalf of the Board of Trustees of the University of Illinois and that all questions should be directed to DRL staff.

Policies and documents referenced in this Contract are subject to change, and such changes and additions will be emailed to the Contract holder’s University email account. I acknowledge that any changes or additions shall become effective and binding on the date of such email being sent.

1. ELIGIBILITY

I represent that I am a full-time student at the University of Illinois Springfield enrolled in a minimum of nine (9) credit hours if I am a graduate student and twelve (12) credit hours if I am an undergraduate student. To be eligible for Summer Housing, I represent that I have paid all current housing related charges and am enrolled in at least one summer academic course at UIS. If at any time I fall below this standard, for whatever reason, I must immediately notify DRL in writing. I agree to vacate the premises within forty-eight (48) hours of the loss of eligibility unless alternative arrangements are approved in writing by DRL staff. I will be responsible for all applicable cancellation charges provided for in this Contract.

I understand that in its sole discretion, DRL may deny me placement in University housing as a result of my past or current behavior, including breach of contract, any criminal or disciplinary history indicating a possible risk to the security, safety, or health of any person or property, or the risk of disruption of University operations.

2. HOUSING ASSIGNMENT

2.1 Assignment

I understand that I am not entitled to a housing assignment and that my placement is contingent upon available space. If space is not available, the University will terminate this Contract and refund any advanced payment made by me, consistent with the terms of this Contract.

I agree to accept any space DRL assigns to me, including temporary space.

I understand that I should not make other housing arrangements before confirming the status of my housing request, as I may not be eligible for cancellation of this Contract or a refund of my advanced payment.

I will not assign this Contract to another person nor sublet my housing assignment to another person and will not allow anyone to live in my room unless University Housing has assigned them to the room.

2.2 Reassignment & Vacancies

I may request a reassignment no earlier than three weeks after the start of the academic term. The University may approve or disapprove of such request in its sole discretion. I understand that DRL may reassign me to another space at any time if DRL determines it to be in the University's best interests. Such interests include but are not limited to the more efficient use of space and conducting repairs or renovations, or national or regional emergencies. I agree to relocate to the new space within the time period requested, unless otherwise approved in writing by authorized DRL staff. I understand that if I fail to relocate as requested, I may be charged an increased rate (e.g., the rate for a single) and/or be moved. I understand that I am responsible for any additional costs that the University incurs due to my non-compliance.

3. CONTRACT DURATION

I understand that the Contract term is for the entire academic year (Fall and Spring semesters), or the balance thereof if initially entering mid-year. Notice of exact term dates are published annually on the campus calendar on our Important Dates and Deadlines webpage (www.uis.edu/residencelife/importantdates/).

To remain in the residence halls for the Summer Term, I understand that I must sign an additional Contract and that I may not be assigned to the same space. Summer Term is not covered by this Agreement. I understand that if I want to reside in housing for summer term, I must meet the eligibility criteria, sign a summer housing contract, and be in good standing. I understand DRL retains discretion to grant or deny my request and to determine the level of summer housing that will be available for summer housing.

For security reasons, I am required to notify Residence Life if I will be in the residence hall during published breaks.

4. OCCUPANCY; CONTRACT EXTENSIONS

4.1 Move-In

The specific dates of occupancy are posted on our Important Dates and Deadlines webpage (www.uis.edu/residencelife/importantdates/). I am required to move into my assigned space by the end of the second day of the commencement of classes unless I have submitted a written request for late check in and received DRL written approval. If I fail to occupy the space without notice and approval, I will be considered a No Show and risk losing my assigned space. In the event that I am a No Show, I will not receive any refunds for the period the space is held unoccupied. I understand that my failure to occupy the assigned space does not cancel this Contract or release me from the financial responsibilities of this Contract.

4.2 Early Arrival

I may request a Contract Extension to permit early arrival to participate in University-related groups or functions or another approved reason. If approved in writing by DRL staff, a daily occupancy fee will be assessed per rates published on the DRL website. If I fail to make such a request and arrive early, I will be assessed a daily unauthorized occupancy fee per rates published on the DRL website.

4.3 Break Period Extensions

I may request Break Period housing during periods when residence halls are closed, pursuant to the process communicated by DRL. I understand I must be registered for the upcoming semester to be considered for Break Housing. Granting a request for Break Period housing is at the sole discretion of the University.

4.4 Move-Out

I will vacate my assigned space no later than twenty-four (24) hours after my last final examination of each term, the cessation of my academic eligibility, or the posted end of contract date; whichever date is earliest. I will take all my belongings with me when I move out. Personal items left behind will be considered abandoned property. The University, in its sole discretion and without further notice, may dispose of the abandoned items as it deems appropriate and in accordance with any relevant policies. I may be charged for any associated costs.

4.5 Late Departure

I may request a Contract Extension to permit late departure to participate in University-related groups or functions or another approved reason. If approved in writing by DRL staff, I will be assessed a daily occupancy fee per rates published on the DRL website. If I fail to make such a request or my request is not approved by DRL and I stay beyond my published move-out date, I will be assessed a daily unauthorized occupancy fee per rates published on the DRL website.

5. HOUSING CHARGES & PAYMENTS

5.1 Application Fee & Housing Prepayment

I have paid a \$50 non-refundable application fee and a \$200 Housing Prepayment. The prepayment will be applied toward any applicable charges or fees as provided in this Contract.

5.2 Room Rates

I agree to pay the University the applicable rate for the housing space assigned to me. Room rates for the applicable academic year can be found online at www.uis.edu/residencelife/livingatuis/rates/.

5.3 Meal Plans

I understand that I must purchase a meal plan offered by UIS Food Service as a condition to living in a residence hall. Students living in apartments have the option but are not required to purchase a meal plan. If applicable, I agree to pay the University the rate for the meal plan I have selected. Meal plan options and rates can be found online at www.uis.edu/foodservice/mealplans/.

5.4 Damages

I agree to use my living unit and all University property and furnishings in a proper and responsible manner at all times. I agree to surrender the same in good repair and condition as normal use dictates. I will be financially responsible for all damage (including, but not limited to, repair and cleaning costs) to my living unit and/or University property and furnishings, including damage by my guests. I will not remove or permit the removal of room furnishings without prior approval by the appropriate RA/DRL employees. DRL representatives may enter my unit at any time, including weekends, holidays and vacation periods, for routine maintenance and building service work, life safety inspections, and for emergency purposes.

5.5 Payments

I agree to be billed for each semester of the academic year and summer term (if I have a summer contract) separately through University Student Financial Services & Cashier Operations (“USFCO”). I understand that I will be assessed a service charge on all unpaid monthly balances of University charges. I may refer to the USFCO website for billing information at <https://paymybill.uillinois.edu/>.

6. EARLY TERMINATION

6.1 By University

The University reserves the right to cancel this Contract if I become delinquent on payments, breach any term of this Contract, or if it otherwise determines that my past or current behavior is such that the interests of the University or its students, faculty, or staff would best be served by cancellation of this Contract. Such behavior includes, but is not limited to, endangering persons or property, failure to comply with the UIS Student Conduct Code, DRL Policies, and possession of prohibited items. I will remain responsible for the remaining portion of my room charges, and a breach of contract fee as published on the DRL website.
