

UIS Green Project Letter of Intent- Step 1

To complete your Green Project Letter of Intent, download this word document and type all answers to the questions below. Save your completed word document as a new file.

Once completed and saved to your device, return to the Green Projects website at <http://www.uis.edu/greenprojects/get-involved/>

Click the hyperlink titled, **“Submit your completed UIS Green Project LOI”**
This can be found under **Step 1** of the “Submit a Green Project Proposal” section.

You will be redirected to an external WebQ. Upload your completed application by the deadline which can be found in the **“Timeline”** section of the Green Projects website.

If you have any questions regarding the application or submission process, please contact us at greenprojects@uis.edu.

Project Name: UIS Colonnade Lights Update

Contact Information:

Project Team

Name	UIS Student/Faculty/Staff & Department (or Office)	UIS Email	Phone #
Salome Wortman	Sustainability Projects Coordinator	swort2@uis.edu	

Organization/Affiliation:

Project Information:

Please provide a brief description of the project. What are the goals and the desired outcomes of the project?

This project would provide funds for upgrading the lights at the UIS colonnade to be LEDS. As a structure on the campus meant to help define it, the colonnade should also reflect university values, like sustainability and energy efficiency. By switching to LED lights, the colonnade can be made brighter while also saving on electricity.

Please describe why this project matters to you and how it relates to sustainability.

By switching to more efficient lighting, the waste energy from out-of-date lights can be reduced. Saving energy on campus is more efficient for power.

Where will the project be located?

UIS Colonnade.

Please provide a brief summary of how students will be involved in or affected by the project:

Students typically walk by the colonnade often. Having better visibility around the area can be useful in advertisement and for late-night walking.

Please provide a brief summary of the project timeline (Most approved projects are proposed in the Fall and implemented in the Spring)

Once funds are obtained, will collaborate with Facilities to order and implement.

Please provide a brief itemized breakdown of the funds needed.

Will be deciding with Facilities.

Do you have any suggestions for how we could measure the success of this project?
