

## Black Hawk College Transfer Pathway

Students may be considered for admission to UIS as a transfer student if they have attempted at least 24 transferable semester hours (after high school or GED completion) and have a cumulative grade point average of 2.0 on a 4.0 scale from a regionally accredited institution. Remedial and developmental courses are not accepted.

Those who have earned an Associate of Arts, an Associate of Arts and Science, or an Associate of Arts in Teaching degree from a regionally accredited Illinois community college will be admitted to UIS as a junior with general education requirements met. Students who have earned an Associate of Science degree may need to take one Humanities/Fine Arts course and one Social/Behavioral Sciences course at UIS in order to complete their general education requirements. Students who have earned an Associate of Science degree and believe they have met the requirements may request an academic review by submitting a Student Petition form.

UIS is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement designed to allow you to complete the Illinois Articulation Initiative General Education Core Curriculum (IAI GECC), as well as credit earned in select majors, between participating institutions. To determine IAI GECC at your community college, use the course planning worksheet available at [iTransfer.org](http://iTransfer.org). This information is also available from your community college catalog or by speaking with your community college advisor.

MyCreditsTransfer is a statewide initiative designed to facilitate transfer within Illinois using the nationally available tool, Transferology™ ([transferology.com/school/uis](http://transferology.com/school/uis)). Within Transferology™ you can find the courses that transfer between institutions, degree requirements your courses satisfy and different majors that institutions offer. To set up your free Transferology™ account and see how your courses will transfer, visit [Transferology.com](http://Transferology.com).

To receive information about transferring to UIS, please visit <https://www.uis.edu/admission-aid/request-info>.

For other Transfer-related information, documentation, guides, etc. from UIS, please see the [Transfer Information and Requirements website](#).

Please direct any questions to Allison Kling (Transfer Coordinator) in the Office of Admissions Processing at [admprocessing@uis.edu](mailto:admprocessing@uis.edu) or 217/206-6156.

For a list of all degree programs offered at University of Illinois at Springfield, please go to <http://catalog.uis.edu/degreesoffered/>. Students who choose to pursue their studies online should contact their intended academic program for information concerning admission requirements. Online degree information is available on the UIS [website](#) at <https://www.uis.edu/online>.

## All UIS Transferrable Major Program Requirements with Black Hawk College Equivalencies

Major Title, College, Offering Type, and Additional Concentrations/Tracks	Transferrable UIS Major Required Course	Community College Course Equivalent	Program/ Department Contact Information and Website
<b>Accounting (ACC)</b> On Campus Bachelor of Arts (BA) College of Business & Management (CBM) Students must earn a cumulative GPA of $\geq 2.0$ in all foundation courses.
