BREAKOUT SESSION 2

College of Liberal Arts and Social Sciences

University Hall Building (UHB) 2nd Floor Atrium

Join CLASS for a reception at the UHB 2nd Floor Atrium — visit with professors and advisors to learn more about your opportunities as a student in liberal arts and social sciences as a major, a minor, or to balance out your academic experience. We'll offer a fun activity to give you a taste of what you might do in a class with one of us! For instance, can you tell if a poem is written by a real human or by A.I.? How do we interpret the mix of visual images and writing in the graphic novel? What counts as "music," how do we know, and who gets to say? What can we tell from an object—about the people who made it, the culture or historical period from which it comes?

College of Business and Management

Bloomberg Finance Workshop

University Hall Building (UHB) 4020

Dr. Tammy Schlosky and Dr. Serkan Karadas will give students a hands-on demonstration of Bloomberg terminals in UIS' state-of-the-art Trading Lab. Bloomberg terminals are powerful tools used by finance professionals on Wall Street and around the world to analyze financial markets, companies, and the economy. Students can use Bloomberg terminals for their coursework, research, and investment analysis, as well as to earn industry-recognized Bloomberg certifications that can help prepare them for internships and careers in finance and business.

College of Public Affairs and Education

Public Affairs Center (PAC) 3rd Floor Atrium

The College of Public Affairs and Education will be hosting a meet-and-greet where prospective students can chat with professors, advisors, representatives from interactive student activities such as Model United Nations, Model Illinois Government, Speech & Debate Team, Mock Trial, and Student Media and tour our departments and Pre-Law Center.

UIC Nursing

Student Affairs Building (SAB) UIC College of Nursing Suite 20

Tour the UIC Nursing Department and simulation labs and learn about programs offered with our nursing advisor, including the UIS/UIC Nursing direct admission program (GPPA) and Memorial Health Pre-Nursing Scholarship.

College of Health, Science and Technology

Biology and Chemistry

Health Sciences Building (HSB) 151

Prospective students will step into the lab and try out some of the common techniques used by students in the UIS biology labs. You'll get the chance to explore specimens under the microscopes and use material and equipment from our labs.

Computer Science

Health Science Building (HSB) 101, Orion Lab

Meet Professor Joshua Smith from the Computer Science program and tour the cutting-edge Orion Lab which is a vibrant hub of research, education, and recreation, conveniently nestled in the lower level of the Health and Sciences Building (HSB). The lab is equipped with a diverse range of cutting-edge equipment, including 3D printers, CNC machines, laser cutters and engravers, computing resources, cybersecurity systems, and fabrication equipment.

Psychology

University Hall Building (UHB) 3118

The Psychology Department has put together a selection of interactive demonstrations showcasing psychological phenomena across many of the sub-fields of psychology, spanning from cognitive to counseling. You will see colors that don't exist and solve problems in ways you didn't know you could! Attend this session to get unique insight into your own psychological workings and chat about what the UIS Psychology Department has to offer.

2:00 PM – 2:30 PM
