into the Program Review Schedule**

WHEREAS, faculty and colleges have responsibility for educational matters falling within the scope of their programs; and

WHEREAS, in its guidelines for program review, IBHE indicates that “each institution will determine the program review process that meets its unique needs”; and

WHEREAS, UIS has integrated the evaluation of program assessment plans with program review; and

WHEREAS, this process does not provide interim feedback to programs preparing for program review; and

WHEREAS, the integration of an assessment reporting process with that of program review would allow for feedback to programs on the progression of their assessment initiatives at two points within the program review cycle;

THEREFORE, BE IT RESOLVED THAT the University of Illinois at Springfield Campus Senate approve the integration of a third-year Assessment Report into the Program Review schedule.
