the pirates?*

ECCE: FROM VIKINGS TO HACKERS: A PIRATE'S WORLD HISTORY

COMING FALL 2024
(ONLINE)

This course will attempt to understand how these figures may have thought of themselves, how elusive figures of the pirate were so labeled by land-based authorities, and how their histories were appropriated and romanticized for ideological ends. Course Information: This course fulfills an Engaged Citizenship Common Experience requirement at UIS in the area of Global Awareness
