

Violence Prevention and Support Resources

Sharing resources with everyone helps prevent violence in our communities

Mental health and crisis support

Illinois Call4Calm Text Line (24/7)

If you or a loved one are struggling with stress related to the COVID-19 pandemic and need emotional support, text TALK to 552020 for English or HABLAR for Spanish (Message and Data Rates May Apply. See Terms and Conditions of Use). People seeking assistance remain anonymous and provide only their first name and ZIP code, which enables the service to link them to a counselor in the area who is knowledgeable about available local resources.

Illinois Warm Line

If you or one of your family members has mental health and/or substance use challenges and would like to receive support by phone, call the Illinois Warm Line at 866-359-7953. Wellness support specialists are professionals who have experienced mental health and/or substance use recovery in their own lives. They are trained in recovery support, mentoring, and advocacy and are ready to listen and support you. The Illinois Warm Line is not a crisis hotline but is a source of support as you recover or help a family member to recover. Illinois Warm Line hours of operation are Monday through Friday, 8 a.m. – 5 p.m., except holidays.

Illinois CARES Line (24/7)

If your child is a risk to themselves or others, having a mental health crisis, or if you would like a referral to services for children, youth, and families, call the 24-hour Crisis and Referral Entry Services (CARES) line to talk to a mental health professional. Call: 800-345-9049; TTY: 773-523-4504

Illinois Helpline for Opioids and Other Substances (24/7)

Reporting of child abuse or abuse of an older adult or adult with a disability

Safe2Help Illinois is a 24/7 program where Illinois students can use a free app, text/phone, website (www.Safe2HelpIllinois.com), and other social media platforms to report school safety issues. Once vetted, the tips will be shared with local school officials, mental health professionals, and/or local law enforcement, depending on the nature of the tip. The program also will help local officials by connecting them with mental health or other appropriate resources to intervene and to help students before they harm themselves or others.
