**2014 was a busy and fulfilling year for the Public Health Student Association**

**Emmanuel Olatunji interned at the Washington Center**

Emmanuel Ayobami Olatunji, graduate student in the MPH program, was chosen to receive a \$7,000 scholarship to attend the 2014 summer experience in Washington, DC. The program consists of three parts: an internship; a leadership forum and an academic class. Congratulations, Emmanuel! (April 2015)

For over 35 years, The Washington Center for Internships and Academic Seminars has helped more than 50,000 students from around the world gain valuable experience, and set them on a course of achievement, leadership and engagement in their communities.
