Student Responsibility

Students are responsible for knowing and adhering to the policies, deadlines, and procedures contained in the online catalog and current Policies and Registration Information booklet. Students may receive credit only for those courses for which they are properly registered and will assume academic and financial responsibility for any course for which they register unless they officially cancel registration according to the established deadlines.

Students receiving financial assistance must contact the Office of Financial Assistance prior to dropping a course or withdrawing from the University to determine the effect on the student’s financial aid award for the semester. Please refer to the online catalog for more information on the consequences of dropping or withdrawing.

All withdrawals from courses must be made using Web Registration (referred to as Student Self-Service). NON-ATTENDANCE OR NON-PAYMENT DOES NOT CONSTITUTE AN OFFICIAL WITHDRAWAL. Students who change sections, add, and/or drop, will be charged full tuition and fees for every transaction according to the established deadlines.

The date you officially drop/withdraw will affect the amount you owe and/or the amount to be refunded and may affect the grade on your transcript. A course officially dropped after the add/drop period will have a grade of “W” on the transcript. A failing grade will be assigned and calculated in the grade-point average for courses not dropped by the specified deadlines.

ONLY the individual student may make changes to his/her class schedule.

Please refer to the appropriate semester’s Drop/Withdrawal Policy regarding the financial consequences of dropping or withdrawing.

Important Information Regarding Refunding

ALL UIS COURSES ARE CLASSIFIED INTO FOUR CATEGORIES. All refunds will be based upon these categories (listed...
• Full-Term Courses begin prior to the midpoint of the semester and end after the mid-point.
• Intersession Courses begin prior to the start of the spring semester, but after the end of the prior fall semester.
• First-Half Courses begin and end by the midpoint of the semester.
• Last-Half Courses begin and end after the midpoint of the semester.

Any courses that do not fit into the categories above by definition (e.g., courses designated with “To Be Arranged” days/times) are considered to be Full-Term Courses, unless otherwise indicated in the current Policies and Registration Information booklet.

The mid-point of each semester can be found in the Drop/Withdrawal Policy for the appropriate semester.
