

Monday, April 16th - Saturday, April 21st 2018

EARTH WEEK

at the University of Illinois at Springfield

MONDAY, APRIL 16TH

Springfest Bonus Event: Climate Change Roundtable **UHB 1005** **4-5 PM**

Dr. Donald Wuebbles, professor from UIUC, joins UIS professors Dr. Amy McEuen & Dr. Brandon Derman to host a discussion to engage participants on the science behind climate change. Springfest teams will be awarded bonus points for attending.

Keynote Speaker: Jacqueline Patterson **Brookens Auditorium** **7 PM**

Patterson, Director of the NAACP Environmental and Climate Justice Program, will discuss why climate change is an important human & civil rights issue & how the NAACP is working to empower community leaders to address the causes of climate change.

WEDNESDAY, APRIL 18TH

Health & Wellness Tabling **TRAC** **11-1 PM**

Visit S.A.G.E. & the Green Fee Committee's Environment table at the Health & Wellness Fair for insights on sustainable, student-driven projects on campus!

THURSDAY, APRIL 19TH

Sustainabili-TEA **Brookens Library** **4-6 PM**

Brookens Library in partnership with Residence Life and the Sustainability Committee will be hosting a tea and craft time featuring sustainably sourced teas and crafts made from up-cycled library materials.

Environmental Poster Symposium **2nd floor STU** **2-3:30 PM**

Dr. Hanson's Environmental Justice students will present research on various environmental injustices and answer any questions participants might have!

FRIDAY, APRIL 20TH

Garden Fellowship Day **Campus Garden** **11:30AM- 1 PM**

Join members of the Garden Club for some one-on-one time with your favorite planet and plants followed by a FREE outdoor lunch and slacklining! Tools and materials will be provided, but please BYOH₂O!

SATURDAY, APRIL 21ST

26th Earth Awareness Fair **Old State Capitol** **1- 5 PM**

Join members of S.A.G.E at the City of Springfield's Earth Awareness Fair and enjoy the environmental exhibits, kid-friendly activities, live music, and tasty food!
