SATURDAY APRIL 17 - EARTH AWARENESS FAIR (11 AM - 4 PM)
City of Springfield Earth Awareness Fair at Henson Robinson Zoo:
Check it out at this link

TUESDAY APRIL 20 - FACULTY DEVELOPMENT WORKSHOP (11 - 12 PM)
UIS Faculty can join Dr. Megan Styles, Dr. Anne-Marie Hanson, and Prof. Dathan Powell for a sustainability minded faculty development workshop.

TUESDAY APRIL 20 - WEAVING CONSERVATION INTO THE TAPESTRY OF OUR LIVES: A FOREST ECOLOGIST’S PERSPECTIVE (5 - 6:30 PM)
In her Earth Week keynote address, Dr. Nalini Nadkarni will speak about engaging audiences outside traditional realms of the scientific enterprise. Her experiences will launch question and answer sessions to empower students to engage with their broader communities.

THURSDAY APRIL 22 - GARDEN GROUNDBREAKING (4 - 6 PM)
Join the Green Fee Committee and the UIS Gardening Club at the UIS Community Garden to participate in early spring planting and garden maintenance!

ECCE PRESENTATION - CLIMATE CHANGE IN ACTION
Dr. Donald Wuebbles, a renowned climatologist from UIUC, joins expert panelists Dr. Julie Maldonado and Dr. Debra Jacobson to host a discussion on the civic responsibilities that come with climate change.
